

Government Pricing Analyst

01/31/2018

Classification: Exempt – Professional; Administrative

The McKelvey Group provides pricing support for Federal Government contractors in the Washington DC area. We are looking for strong candidates to join our experienced team of professionals. Our Pricing Analysts support various pricing functions in response to government solicitations, such as building pricing models, cost narratives, subcontractor proposal analysis, and all basic reviews.

Candidates must maintain the ability to manage multiple tasks in a fast-paced environment, excellent verbal, written, analytical and presentation skills, and proficiency with spreadsheets and other MS Office applications. Strong interpersonal skills and ability to interact with all levels of management is essential. As a team player, the successful candidate must be proficient at independent work and the management of projects from inception to completion.

Responsibilities Include:

- 1) Request for Proposal (RFP) review
- 2) Development of Price and Cost Volumes:
 - a. Time & Materials, Fixed Price, and Cost Plus Contracts
 - b. Task Orders, Contracts, and Multi-award Vehicles
 - c. Civilian and Defense Agencies
 - d. Prime and Subcontractor Roles
- 3) Development of Rates and Factors:
 - a. Direct Labor Rates
 - b. Providing Inputs for Indirect Rate Impacting
 - c. Creating Cost Estimating Relationships for Other Direct Costs and Travel
- 4) Performing quality assurance reviews on other proposals
- 5) Developing price-to-win and competitive analysis
- 6) Preparation of audit files

Requirements:

- Bachelor of Science in business administration, finance or accounting
- Internship or work experience in a Federal Government contracting environment
- Proficiency in Microsoft Excel
- Strong analytical and organizational skills
- Ability to work under pressure and meet deadlines
- Effective communicator, written and verbal
- Excellent references

Desired Qualifications:

- Pricing Consulting Experience
- Non-Profit Pricing Experience
- International Pricing Experience
- DCAA Audit Experience

- Forward Pricing Proposals/Negotiated Indirect Cost Rate Agreements
- Familiarity with FAR, SCA and DCAA regulations and guidelines
- Excel skills - Knowledge of contract pricing models (T&M, cost-plus, fixed price, etc.)
- Excel - Understanding of indirect rates, direct labor development and labor hour allocation
- Experience coordinating with subcontractors on proposal submittals

Company Profile:
